## Section 1: Budgets

### 1.1. Budget construction

The Head Teacher is responsible for the detailed preparation of an annual school budget which addresses the strategic aims and targets established by the Governing Body. In constructing the budget, the Head must take account of priorities identified in the School Development / Improvement Plan, incorporating specific costs as detailed in the plan. In producing the budget, the Head should consult with other members of staff as appropriate to ascertain detailed requirements and cost pressures for the coming the year.

The Finance Committee should meet in the **Autumn** term to consider a broad budget strategy. In order to determine appropriate expenditure levels, the committee should consider the overall level of income expected from local authority budget, grants and school generated income, together with any anticipated balance to be carried forward into the following financial year.

Detailed formulation of the budget should take place in **Spring** term, and the Finance Committee should approve the detailed budget plan following receipt of the final local authority budget allocation issued in mid to late March. The full Governing Body must subsequently approve the full budget, and minute this approval. The approved Governors Budget Plan spreadsheet template must then be submitted to the Schools Finance Team, along with a signed statement by the Chair of Governors, by the required mid-May deadline.

Total budgeted expenditure should not exceed the total anticipated in-year income plus or minus any balance brought forward from the previous year. If it appears that a deficit position cannot be avoided, the Head and Chair of Governors must inform the Schools Finance Team immediately as the local authority must approve a Deficit Repayment Agreement (DRA) involving an appropriate recovery plan.

In constructing the detailed budget, factors for consideration include:-

- current and previous year's expenditure levels on individual budget headings
- staff pay awards and increments, and known changes
- anticipated price inflation
- changes in the supply of services and contracts (traded services, utilities etc.).
- changing School Development Plan priorities
- any anticipated changes in pupil numbers
- the resulting impact on staffing structures

### 1.2. Budgetary control and monitoring

The Head is responsible for regular, detailed control of the school budget and this role will require appropriate monthly reports from the school's accounting system. The Head may assign budgetary control of individual budget headings to other members of staff, however the Head remains ultimately accountable to the Governing Body for these budget headings.

## Clearwell Church of England Primary School Finance Policy

Financial reports to the Head and other budget holders, where applicable, should include the following information for each agreed budget heading:-

- total budget for year
- total expenditure and commitments to date
- projected variance

Payroll expenditure data, as notified by local authority payroll prints, must be entered promptly on to the school's accounting system each month by the appropriate finance officer (i.e. finance administrator, bursar or business manager).

Other, non-pay expenditure, as notified by monthly on-line reports for central schools, must be reconciled promptly to the school's accounting system by the school finance officer.

It may be appropriate to action adjustments to the original budget (virements) during the year, for example as a result of additional income, new costs or changing national priorities etc. The Head should therefore be empowered to respond to changes to address variances by effecting virements between individual budget headings.

Where new or unplanned expenditure is necessary, the following individual virement authorisation limits are recommended for individual items:-

- Up to £100 School Business Manager/Head
- Up to £3,000 Head (and subsequently reported to Full Governing Body)
- £3,000-£3,999 Chair of Governors (and subsequently reported to Full Governing Body)
- £3,000-£4,999 Finance Committee (and subsequently reported to Full Governing Body)
- £5,000 and over Governing Board

These figures and all figures in this policy for authorisation are EXCLUSIVE of VAT

Virements, once approved, must be promptly recorded in the school's accounting system to keep the approved budget up to date.

The Head should present detailed budget monitoring statements to the Finance Committee at least on a two termly basis (e.g. Autumn, Spring and Summer). The Finance Committee should then consider and challenge these statements as necessary, with the Head providing explanations for any significant variances identified. The Chair of the Finance Committee should then report termly to the full Governing Body, identifying any significant budgetary issues and any remedial action taken or needed, and any policy decisions needed.

A Chart of Accounts will be submitted to each FGB and Finance Committee meeting.

## Section 2: Payroll

Schools using GCC payroll and HR services should refer to the Business Service Centre Schoolsnet pages for general information and guidance (please note you will require your school's assigned log-in and password to access some of the information on Schoolsnet):

<http://www.gloucestershire.gov.uk/schoolsnet/index.cfm?articleid=20450>

### 2.1. Starters/variations/leavers

The relevant forms for the following are on the SAP E-Form system (Launchpad), which the SBM and Approver (Headteacher) have access to with their individual login and password.

- setting up new employees on the payroll (starters)
- effecting variations to pay
- taking existing employees off the payroll (leavers)

Forms should be completed by the SBM and authorised by the Head

### 2.2. Claim Forms

For relevant staff, submitted claim forms must be checked initially by the SBM, and then authorised by the Head. Authorised claim forms will be submitted directly, in time for the Authorisation Deadline specified by Gloucestershire County Council Claim forms must be submitted by staff by the 5<sup>th</sup> of the month.

### 2.3. Checking of payroll data

Payroll data received monthly from Gloucestershire County Council must be scrutinised by:

- the Head, to ensure all employees are recognised, and pay appears reasonable (no detailed check)
- the SBM, to check accuracy of salary and expense payments.

### 2.4. Pay-related expenses

All pay-related expenses must be processed through the payroll system. **Pay-related expenses must never be paid via School Fund, or by the creditor payment system.** If any doubt exists about whether an item should be processed via the payroll system, the BSC Financial Administration section should be contacted for advice.

### 2.5. Supply teachers

The Governing Body will decide, on the basis of advice from the Head, whether supply insurance cover shall be taken out, and the extent of the cover. Authorised claims will be submitted directly to the Business Service Centre via the E-form system (Launchpad) in time for the Authorisation Deadline specified by Gloucestershire County Council. The SBM must check on a monthly basis that

# Clearwell Church of England Primary School Finance Policy

correct amounts have been charged using the PY14 Local Authority reconciliation print

## Section 3: School Fund

### 3.1 Accounts

The accounts of the school Fund are to be maintained on a day to day basis by the SBM. All income and expenditure will be entered promptly in the accounts. A bank reconciliation will be performed monthly when bank statements are received, between the balance as per the accounting record and the balance as per bank statements.

### 3.2 Signatories

The following are allowed to sign cheques on the bank account:-

- Head
- Administrator

There must be two signatures on each cheque.

### 3.3 Final accounts and audit

Final accounts are prepared at the end of the School Fund financial year (31<sup>st</sup> August) by the SBM. The accounts will be audited by an auditor appointed by the full Governing Body. The auditor will not be a member of the Governing Body. In appointing an auditor and operating the Fund, the Governors will follow the instructions laid down in the County Council's Manual on Unofficial Funds.

The audited accounts should be presented to the full Governing Body for approval. Governors' approval must be recorded in the minutes of the meeting. Once approved, the Clerk to the Governing Body will return the requested FN12 form to the Schools Finance Team.

School Fund monies must be kept, and recorded, separately from the school's capitation monies and securely held.

## Section 4: Assets

### 4.1 Inventory

Items over the value of £500 are to be recorded. The portable, desirable, attractive assets of the school, as well as any assets of intrinsic value (e.g. antiques) will also be recorded in the school's inventory but can be grouped together (eg 10 iPads) and photographs attached to the inventory. Full details (make, model, serial number, approximate value) shall be recorded. Photographic evidence of every room, cupboard & corridor forms the main inventory. This is held electronically.

The School Business Manager is responsible for keeping the inventory up to date by adding new items when they are received into school.

Items up to a value of £50 may be sold or written out of the inventory on the authority of the Headteacher. Over this limit, the Governing Body must authorise and the details must be recorded in the minutes. Reasons must be recorded in the inventory, together with the Headteacher's signature (up to £50) or the Governors' minute reference (£50 and over). An official receipt for sales income must be issued to the purchaser and a copy retained.

Inventories shall cover all areas of the school and be arranged on a room-by-room basis. A separate

# Clearwell Church of England Primary School Finance Policy

inventory will be maintained to include items which are not allocated to a specific room.

The inventory shall be checked against the actual assets by the Headteacher on an annual basis. Any discrepancies shall be investigated immediately, and if necessary, the Governors, Police and the authority's auditors shall be informed. The check shall be evidenced by the checker signing and dating the inventory. The portable, desirable, attractive assets of the school, as well as any assets of intrinsic value (e.g. antiques) will be recorded in the school's inventory. Full details (make, model, serial number, approximate value) shall be recorded.

## Section 5: Income

### 5.1 Credit income

Where payment for goods/services provided by the school is made after the provision takes place. An official invoice must be raised by the SBM in all cases and sent to the debtor as soon as possible after the provision of the goods/service, and no later than one week after the provision.

A file of copy invoices will be maintained by the SBM; this will be arranged into 'paid' and 'unpaid' invoices. The copies of unpaid invoices will act as a control record for the sending of reminders and the chasing of unpaid debts.

Reminders will be sent after the following periods if the debt remains outstanding:-

- 1st reminder 1 Month
- 2nd reminder 2 Months

If after 84 days the debt remains unpaid, consideration will be given by the Head and/or Governors to writing the debt off in accordance with the following limits:-

- up to £50 - Head may authorise write-off
- up to £100 - Chair of Governors may authorise write-off
- £100 and over - Full Governing Body may authorise write-off.

In each case, the possibility of taking legal action to recover the debt must be considered by Head, Chair, and Governors as appropriate.

As well as sending formal reminders, efforts must be made by the school to contact the debtor in order to secure recovery of the debt. If payment has not been received after 28 days of raising the invoice, no further goods or services must be provided until the outstanding debt is settled.

When an invoice is paid, details of the payment must be written on the copy invoice, and this transferred to the 'paid' section of the file. An official receipt should be issued to the debtor and the receipt number written on the copy invoice; a duplicate copy of the receipt must be retained at school.

**5.2 Cash income** (i.e. where payment is received at the time goods/services are provided).

An official receipt must be issued to the payer for all payments of £10.00 or over, at the time the payment takes place, and a duplicate copy retained at the school. This includes payments by parents and other carers of pupils.

### 5.3 Banking

All income received (cash or cheque) must be banked promptly and intact. No payments may be made out of income collected. A record to evidence the banking must be kept (e.g. stamped paying-in slip).

### 5.4 Charging policy

# Clearwell Church of England Primary School

## Finance Policy

The full Governing Body will set a charging policy to cover:-

- lettings
- school trips
- music tuition
- private photocopying
- private telephone calls
- charges to other organisations

The charging policy will be reviewed **annually** by the Full Governing Body. Charges levied by the school will be in line with this policy.

### **5.5 Donations**

Donations from any sources must be acknowledged by the issue of an official receipt to the payer. All donations must be banked promptly and intact.

### **5.6 Official Capitation and School Fund income**

All income used to offset expenditure incurred on the capitation budget (e.g. lettings, photocopying, telephone calls, music tuition) must be paid into the official County Fund and coded to an appropriate income code. Monies received from any sales of school equipment must similarly be paid into the County Fund.

Donations may be paid into the County Fund or the School Fund dependent upon the wishes of the donor which must be ascertained beforehand.

### **5.7 Cash received from pupils**

We are predominantly a cashless school and parents are advised to use our online payment system Parent Pay for all payments into school and voluntary contributions towards school visits and events, including dinner money. If parents are unable to use the online system, they will be offered a barcode letter to use at a local paypoint station.

Pupils and parents should not hand cash over to staff unless it is a small amount (£1 or less) for donations for cake sales etc. However, on the rare occasions that cash is received from pupils in class it must be recorded by the class teacher. Cash collected must be handed over to the SBM on a daily basis and the SBM will issue an official receipt for any income which is over the £10 threshold.

### **5.8 Security of receipt books**

All unused receipts to be used to acknowledge receipt of income, must be held securely in the school office.

## **Section 6: Purchasing**

### **6.1 Ordering**

School procedures for purchasing should ensure that purchases are as required and are for bone-fide purposes.

Orders should be processed by the SBM after initial approval by the Head has been sought and given. Approval for orders up to £100 can be made by the SBM when Head unavailable. If an order has been placed over the telephone an official confirmatory order must be sent.

# Clearwell Church of England Primary School

## Finance Policy

Official orders must not be used to procure goods for private purposes.

Official order stationery must be held in a secure location.

Copies of all official orders placed must be retained on file at the school by the SBM

When placing orders it is the responsibility of the initiator to ensure that Gloucestershire County Council Financial Regulations and Standing Orders are adhered to.

### 6.2 Quotations/tenders

Financial Regulations - for orders for goods/services under £50,000:

- £3,000 - £5,000 - at least three prices to be examined and retained whenever possible, these prices may be taken from suppliers' written or verbal quotations or catalogues/price lists.
- £5,001 - £50,000 - independent written evidence of at least three prices should be obtained and retained, if possible.

If three quotes are not available, the governors will be consulted and an authorisation sought for works to be authorised.

Independent written evidence means quotations provided on suppliers' headed notepaper.

Standing Orders - for orders for goods/services over £50,000.

Tenders should be invited in one of three ways, and in accordance with specific Standing Orders.

- from at least three contractors included on a standing list, or where no standing list exists
- from at least three appropriate contractors, or
- by open competition by advertisement in local newspaper or appropriate journal

### 6.3 Governor involvement

As well as ensuring that the above have been adhered to, it is the responsibility of the Headteacher to ensure that Governors are consulted in the following circumstances:-

On purchasing decisions when the estimated cost of one item exceeds £2,000

Review of quotations obtained where estimated costs exceed £5,000.

Review of quotations when the lowest quote is not the most suitable or the pre-requisite number of quotes could not be obtained. In such circumstances the Governors should formally authorise a waiver of the regulations, either prior to the purchase or retrospectively, if necessary.

### 6.4 Receipt of goods

Once items ordered have been received the SBM must ensure that items delivered correspond to details contained in the delivery note. Upon examination of goods the SBM must ensure that both quality and quantity are appropriate.

### 6.5 Invoice check and authorisation

Invoices received must be checked to both copy orders and delivery notes to ensure that invoices relate to goods ordered and delivered. Invoices should also be checked for arithmetical correctness. All invoices must be certified for payment by the Headteacher before being passed for payment.

Invoices passed for payment must be recorded promptly in the school's accounting system by the SBM.

# Clearwell Church of England Primary School Finance Policy

## 6.6 Petty Cash

Day to day operation of the petty cash account is the responsibility of the SBM

All petty cash expenditure, and reimbursement income, must be promptly recorded in the petty cash record.

Reimbursement must be claimed monthly or when one-half of the imprest advance has been used. The Head must certify the reimbursement claim.

All members of staff who wish to purchase items must obtain prior approval from the Head. Vouchers, (receipts, paid invoices etc.) to evidence the payment must be presented to the SBM with the reimbursement claim (completed Petty Cash Form) by members of staff. These vouchers must be retained by the SBM with the reimbursement claim. Loyalty points or vouchers from the shop/vendor must not be claimed.

In normal circumstances individual purchases from petty cash must not exceed £50. In exceptional circumstances payments of up to £100 may be made, with the express prior approval of the Head. Such payments should be for emergencies only and should not simply result from a lack of planning. All cash and cheque books held must be retained securely in the school office.

## Section 7: Register of Pecuniary and Other Interests

It is a requirement for all schools to maintain such a Register. This is maintained by the clerk to governors.

### 7.1 Persons to be included:-

- All Governors
- Headteacher
- All senior leadership staff (e.g. Deputy Head, Assistant Heads, Heads of Departments, senior administrative staff e.g. bursar)

### 7.2 Interests to be recorded

The basic principle to be followed is that any interest should be recorded which could be seen to improperly influence any decisions taken, pecuniary or otherwise, regarding the operation of the school.

Examples of such improper influence might be:-

- to purchase goods or materials from a company in which a Governor/senior member of staff has a financial interest without going through the correct procedures re. obtaining competitive prices;
- promoting member of staff who has close personal relationship (spouse, partner, son, daughter etc.) with Governor/senior member of staff, without going through correct procedures re. recruitment and selection.

There can never be a definitive, comprehensive list of the interests which should be recorded, but the following is intended to give some guidance:

- having a financial, or other, interest in an organisation which could feasibly be in a position to supply goods/services to the school e.g.
